Other Comments Received

Representatives from the Patient Participation Group (PPG):

The PPG is very active. The GP is very supportive of the group and the group is very supportive of him. The PPG has an information booklet which is available in the surgery and on the website. Meetings are held quarterly with subgroups meet more frequently to organise specific events, e.g the surgery open day. The group organises a carers group, silver surfers and a job club.

Recommendations

Overall patient feedback for this surgery was positive with patients also recognising the work that the surgery and the PPG does within the local community.

The surgery to look at feedback from patients in regard to the reception and communication.
